Why Pune?

Pune, seventh most populous city in India, second largest in the state of Maharashtra has evolved greatly since Indian Independence, from being 'Oxford Of The East', to being one of the most important automobile manufacturing hubs and home to world's largest vaccine manufacturer, Serum Institute of India.

Pune's business-friendly policies and proactive local government makes it easier for global companies to establish a presence. The city offers simplified regulations and a supportive ecosystem for any manufacturing organisations / startups.
